

Dear Corporate Neighbor,

Our Lady of Fatima Catholic Church celebrates 70 years of Catholic presence here in the Wilmington Manor Community. We are a stable asset to the area and have been hosting our Annual Fair each year since the late 1960's. The proceeds from our Annual Fair helps to provide resources that enrich the many church ministries that our parish provides, along with the upkeep of our parish buildings including our church, rectory and convent. These many programs help develop the mind, body and spirit of our community and are made possible by the parishioners of our parish and by you and other corporate sponsors. Investments we make in our parish community provide us leaders in the public and business sector and provide a stable force in our society.

Our committee members would like to invite you to join us in this investment by celebrating in this event as a Sponsor. Attached are our corporate levels of sponsorship. By participating, you or your company are afforded the opportunity to advertise its support of Our Lady of Fatima which directly benefits the parish and community and to further its investment as a corporate neighbor. Your support of this event is appreciated.

Gratefully,

Patricia Harris
